## TRANSPORT WITH 1700 WOUNDED SOLDIERS AGROUND AT FIRE ISLAND

(By Associated Press)

FIRE ISLAND, Jan. 2.—A life boat with fifteen soldiers from the Northern Pacific capsized this afternoon. All were saved. Officials predict removal of all the 2480 returning soldiers before night.

The soldiers and three life savers were caught under the boat. They were rescued unconscious and revived. A power boat from the cruiser Columbia captured when landing and nine men were thrown into the sea. Life guards saved them.

(By Associated Press)

NEW YORK, Jan. 2.—The well and wounded soldiers aboard the transport Northern Pacific aground on Fire Island all are being removed.

Three officers and an enlisted man, wounded, landed today from the transport in a small guard boat. Four more lifeboats from the vessel arrived filled with soldiers. Four boat loads of the crew left for outlying rescue vessels. Constant pounding of the sea drove the vessel which has been stranded since yesterday on the beach and waves are breaking over the transport. The wounded of the crew declared the stranded troops are in the best of spirits and making merry over their predicament.

## EUROPEAN CASUALTIES WORTHLESS

(By Associated Press)

WASHINGTON, Jan. 2.—Senator Weeks criticized the war department for delays and errors in compiling casualties and failure to cooperate with the Red Cross in forwarding news from wounded soldiers. He declared the department's information of casualties often was wrong. He said the Red Cross in August reported in French hospitals 290 American soldiers reported missing by the war department.

## GERMAN ARMY HAS TO RETREAT BEFORE POLES

(By Associated Press)

WARSAW (Tuesday), Dec. 31.—Fighting continues at various points in Posen between Polish and German troops. The Poles have seized the fortress of Posen. More than 20,000 Germans were disarmed. Six German grenadier regiments refused to surrender and are now surrounded in their barracks. The entire Polish population including boys and young women, are reported aiding Polish troops.

(By Associated Press)

LONDON, Jan. 2.—Poland is in danger owing to an invasion of Bolshevik troops and the apparent difference of the western powers to the plight of that country, says a Warsaw dispatch to the Mail. Telegrams were sent begging intervention by the allies, but no reply comes. The Poles admit the immensity of numerous problems absorbing the allies but complain they do not receive a sign of attention or a word of guidance.

## \$45,000,000 OUTPUT OF THE NEVADA MINES

(By Associated Press)

WASHINGTON, D. C., Jan. 2.—The value of the gold, silver, copper, lead and zinc mined in Nevada in 1918 was over \$45,000,000, according to the preliminary figures compiled by Victor C. Heikes, of the United States geological survey, department of the interior. This is a decrease of over \$9,000,000 from the output of 1917, when the mines produced \$54,424,580. In point of value the largest decrease was that in copper, which amounted to more than \$7,000,000.

The gold output of Nevada decreased from \$6,959,468 to about \$6,700,000 in 1918. This is a comparatively small decrease when the isolation of the camps and the excessive costs are considered. Gold from the Tonopah district decreased and amounted to about \$1,200,000. Gold producers of the state which had an output of more than \$200,000 each were the Nevada Consolidated, the White Pine, the Aurora Consolidated, the White Pine, the Manhat, the Elko Prince, the Olympic mines, in Mineral county; the Union Consolidated, at Virginia City; and the Rochester Mines, at Rochester.

The mine production of silver decreased from 12,269,969 ounces to about 10,000,000 ounces in 1918. The value of the output, however, increased from \$2,286,454 to about \$9,487,000. The largest output of silver, or about 5,800,000 ounces, was produced in the Tonopah district.

The mine output of copper decreased from 122,794,161 pounds in 1917 to about 105,000,000 pounds in 1918. The value of the output decreased from \$33,522,954 to about \$25,000,000. The Nevada Consolidated, at Ely, in White Pine county, the largest producer, contributed more than 6,000,000 pounds of copper a month, and the Consolidated Copper mines, in the same county, was producing more than 1,000,000 pounds a month. At Thompson, in Lyon county, the Mason Valley smelter was operated throughout the year at

## ROY CRUMP DIES FROM PNEUMONIA

(By Associated Press)

Roy Crump died this afternoon at 1 o'clock after suffering for ten days from influenza which developed into pneumonia. The death will prove a surprise to many friends who had received assurance as late as this morning that the patient was making fair progress. Mr. Crump was stricken with influenza and made such rapid progress that he insisted on going out to work. This led to a relapse and for a week he has been in the grip of pneumonia. Surviving are a widow, formerly Miss Anna Logan, a brother and father. The family occupied one of the Montana cottages.

Roy Crump was 32 years of age and had been married for seven years. He was born in Independence, Mo., and was very popular with his associates who admired him for his many endearing qualities disclosed during a twelve-years residence in Tonopah. The family has the sympathy of everybody who knew deceased. He was a member of the Elks and the funeral will be under the auspices of that body.
